

“CARPET CRUSHER” from Kenburn

KENBURN’S “CARPET CRUSHER”

The Bramidan X30 “carpet crusher” from Kenburn enables flooring contractors and retailers to reduce the volume of their waste carpet using 30 tonnes of compaction force.

Once compacted, the new carpet off cuts, or post-consumer broadloom waste can be easily transported to any of the UK based carpet recyclers or ‘waste to energy’ plants.

* Wool mix carpets are recycled into underlay

* Man made carpets are recycled into equestrian flooring

* Post-consumer carpet and underlay goes to ‘waste to energy’

The X30 “carpet crusher” is easy to operate, reduces ever increasing skip costs by diverting waste carpet from landfill and also helps to keep the workplace ‘neat and tidy’.

SPECIFICATION

Press force (t) 30
Power supply 3 x 230/400V 50Hz 25/16A
Motor (kW) 4.0
Noise level (dB) 50-60
Cycle time (sec) 25
Weight (kg) 1710

DIMENSIONS

Machine dimensions W x D x H (mm) 1745 x 1260 x 2295
Filling opening W x H (mm) 1090 x 655
Filling height (mm) 1130
Chamber height (mm) 1675
Stroke (mm) 940
Compacted carpet cube W x D x H (mm) 1200 x 800 x 1000

Noiseless: Due to a unique hydraulic system
Easy installation: Very low overall height
Safe and steady opening of door: Operated by a strong threaded spindle
